Paved passes that count toward the BMWCC Pass Bagger.

Note, valid passes, gaps and roadway summits you bagged prior to 3/20/2019 will still count for your PB. Any passes bagged after 3/20/2019 must be on this list or on the similar lists of unpaved passes and gaps/roadway-summits in order to count for your PB.

Also, any of the newly added passes listed below will count if you already have the photos, etc.

Class - P=pass, G=gap, S=roadway summit

Difficulty Rating - P=paved, 1=easier non-paved, 2, 3, 4, 5 more difficult non-paved (very subjective)

Favorites - 1=best scenery and/or curvy roads, 2=2nd best, 3=3rd best (very subjective)
